

Statement by Author

Name of Author (or Authors):

Institutional affiliation of the Author(s) (University, Faculty):

Title of Work:

1. The Author hereby declares that s/he holds the copyrights to the Work to be published.
2. The Author hereby agrees to a royalty-free publication by the University of Economics in Krakow, henceforth referred to as the University, of the above-mentioned Work in *Zarządzanie Publiczne/Public Governance* Quarterly under the terms of the Creative Commons Attribution license (CC-BY) and for the Work to be recorded, stored and processed using magnetic storage media.
3. The Author agrees to have the Work distributed royalty-free or upon royalty payment in the form of electronic files in whole or in part, individually or in organized databases and collections, on websites and in printed form, as well as to have the Work disseminated to the general public using such means that the interested parties may access the Work at their convenience. The Author also agrees that portions of his/her Work may be used for the purposes of advertising or promotion without limitations on their form.
4. The Author hereby grants to the University the non-exclusive license to use his/her Work in all of the above-mentioned respects for the duration of the statutory copyright protection as of the date of signing this statement.
5. The Author hereby declares that in the text submitted for publication s/he has disclosed the contributions of individual authors to the Work and assumes full responsibility for providing all the relevant information related to its preparation for publication. In doing so, the author declares that his/her Work does not constitute an instance of ghostwriting (failure to disclose the names of authors who have made significant contributions to the Work or otherwise assisted in its creation) or guest authorship (assignment of authorship to a person who has made no contribution to the Work).
6. The Author declares that substantial contributions made to this Work by other authors are as follows:

Specification	Author, contribution (%)
a) Concept of the Work	
b) Research design and methodology	
c) Research carried out by	
d) Analysis of results and formulation of conclusions	
e) Writing of the Work	

7. The Author is aware that the article will be checked for antyplagiarism by CrossCheck.
8. Financial disclosure: the Author declares that s/he has disclosed all the sources of funding of the Work to be published, including the contributions of research institutions, associations and other entities. The Author declares that the Work was funded from the following sources:
